

Dell UltraSharp 34 Curved Monitor U3417W

Immersive display. Immaculate performance.

An enhanced curved experience

Dive further into your work and play with this fully immersive curved monitor.

- Optimize your field of view, minimize screen reflection and enjoy near uniform visual focus with the increased screen curvature of the U3417W.
- Work comfortably on office applications with reduced eye movement thanks to this curved screen.
- Get deeper into the action and enhance your gameplay with an extended peripheral view.
- Elevate your home entertainment to a cinematic experience with a panoramic "wrap around" view.

Superior performance

Experience superb performance beyond the curve.

- Enjoy an outstanding view with consistent colors across an ultrawide WQHD 3440 x 1440 screen.
- Work with precise colors with 99% sRGB color coverage right out of the box.
- Help optimize eye comfort with a flicker-free screen and Dell's ComfortView.⁵
- See more and hear more on the expansive 34" screen and powerful dual 9W speakers.

Productivity enabler

Easily work with multiple applications simultaneously to help boost your productivity.

- Customize your screen layout by tiling and viewing multiple apps side by side with Dell Easy Arrange.
- Multi-task seamlessly via Picture-by-Picture (PBP) and Picture-in-Picture (PIP) features.
- Navigate between content from two different PCs using a single keyboard and mouse with KVM.

Reliable

Comes with Dell's high reliability promise from the makers of the #1 monitor brand worldwide.*

- Enjoy peace of mind with Dell's Premium Panel Guarantee¹ during the 3 years Limited Hardware Warranty² period.
- Minimize downtime with 3 years Advanced Exchange Service.³
