# Redefine realism.

## DELL ULTRASHARP 27 4K HDR MONITOR | UP2718Q

### CREATE YOUR MASTERPIECE

View lifelike colours, exceptional clarity and striking details.

- **Visuals that inspire:** Design and edit your best work yet on Dell's first 27" 4K HDR monitor that meets HDR10 standards.<sup>1</sup>
- **Realism like never before:** An incredible peak brightness of 1,000 nits (at least three times brighter than today's standard SDR displays) means you'll see the deepest blacks and brightest whites for impressive, true-to-life visuals.
- **Details even in the dark:** Whether you are working in the shadows or the light, you'll still see small details that would otherwise be lost without a high contrast ratio of 20,000:1 and 384 local dimming zones.
- **The video editor's choice:** Handle even the most colour-critical post production editing like a pro with the Rec 2020 colour space.
- **Capture every nuance:** Experience four times more detail than Full HD with 3840 x 2160 Ultra HD 4K resolution.

### SIT BACK. RELAX. CREATE.

Convenient connectivity, simple manageability and adjustability to fit the way you work.

- **Convenient connections:** Experience multiple plugin options with dual HDMI 2.0a for simple connectivity to HDR devices.
- **Simple manageability:** View applications between two PCs simultaneously on your screen and manage the content with only one keyboard and mouse with a convenient keyboard, video and mouse (KVM) feature.
- **Designed with you in mind:** No two people work the same — tilt, pivot, swivel and adjust the height to experience your ideal setup.

### DELL PREMIERCOLOR — SUPERIOR COLOUR PERFORMANCE

Exceptional tools for colour professionals.

- **A broad, brilliant spectrum:** Dell PremierColor offers wide colour coverage that meets major industry standards — 100% AdobeRGB, 100% sRGB, 100% Rec. 709, and 97.7% DCI-P3 and 76.9% Rec2020 — for immaculate, unwavering colours.
- **Extraordinary colour depth:** Tremendous colour detail with 1.07 billion colours (that's 64 times more colour depth than standard monitors). Even in dark areas, you'll see better colour gradation and precision in more shades.
- **Fine-tune with precision:** Customise colour parameters to your preference using the Custom Color mode, SDK<sup>2</sup> or an optional X-rite iDisplay Pro colorimeter.<sup>3</sup>
- **Accurate colour, out of the box:** Calibrated on AdobeRGB and sRGB to an accuracy of Delta-E < 2 with a factory calibration report that gives you the confidence that colours will be impressively accurate right from the start.

### SUPERB RELIABILITY

Comes with Dell's high reliability promise.

- From the #1 monitor brand worldwide for four consecutive years\*.
- Enjoy peace of mind with Dell's Premium Panel Guarantee<sup>4</sup>.
- Minimise downtime with Dell's Advanced Exchange Service.<sup>5</sup>

\* Dell monitors are #1 worldwide for 4 consecutive years! Source: IDC Worldwide PC Monitor Tracker (4Q16)

1 As defined by UHD Alliance ([www.uhdalliance.org](http://www.uhdalliance.org))

2 Dell's software development kit enables you to customise Dell UltraSharp Monitors to your preferred in-house custom system, allowing you to easily manage colour space and control video layout.

3 Requires Dell UltraSharp Color Calibration Solution software, available on [www.Dell.com/support](http://www.Dell.com/support). The X-Rite iDisplay Pro colorimeter is available in selected countries for purchase from Dell. Contact a Dell representative to find out if it is available in your country. iDisplay Pro is also available from X-Rite's North American and Pantone online stores, and X-Rite's worldwide network of resellers.

4 In the event you discover even one bright pixel during the Limited Hardware Warranty period, a free panel exchange is guaranteed. (see pixel panel info located on Dell.com web page for complete details): <http://support.dell.com/support/topics/global.aspx/support/kcs/document?docid=414288>

5 Advanced Exchange Service: Replacement part/unit dispatched, if needed, following completion of phone/online diagnosis. Fee charged for failure to return defective unit. Availability varies. Other conditions apply.

6 For a copy of the Limited Hardware Warranty, write Dell Products, Dell House, The Boulevard, Cain Road, Bracknell, Berkshire, RG12 1LF, UK or see [dell.com/warranty](http://dell.com/warranty).

7 The audio line-out port does not support headphones.
